Harlem, Iowa

Dear Bill just a few lines to let you know that i, am sending you our Town Bladder the Editor Mr Rousseau had a Stroke of Applexus and is very bad up to Date he was taken ill the Day you left here.

all of the W.P. up Stream Boats are either stuck on Sand Bars or Frozen in also Two of them struck Rocks and Sunk the Co has not got a Boat here for Spring Buisness they are up agenst it for fair it has sure been Cold since you left here you got out just in time.

thair is no News all of our House had bad Colds and we are all about half Sick i, am geting in our Winters Wood will get through Tomorrow sure am glad as it is a hard Graft the Horses Sholders are about well.

th.27. Gig Bill and my self start out to Canon River for the Winter will Trap and look after the Horses and try and make some Money in the Skin Game this Winter so if you or eny of youe Friends want eny fine Fur you had better put in your Order now for Bill and me will sure get some fine Foxes and Lynx and Mink.

hope you Arrived Home all O. K. and found every thing all tip top. thair is no News so will close let me here from you once in a while.

Yours Very Truly
