Mr. W.A. Buman,

Harlan,

Iowa.

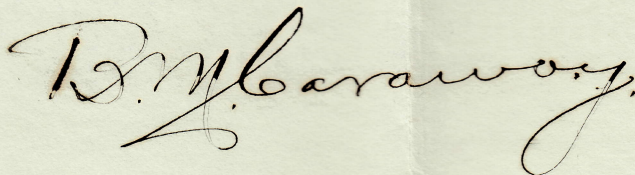

Dear Sir:

In my letter to you of the 10th inst, if you will refer to it again, you will note that I have advised a party of three, well sence writing you this letter, I have recived a telegram that a man has sent Mr. Baxter, five hundred dollars, his deposit for the trip. Therefore if you go we will have a party of four and I am counting on your going sence this man has wired me that he had sent paxter his deposit.

I don't see that it will make very much diffrence if we do have a party of four and the cost will then be one hundred twenty five dollars less, to each man.

Will be looking for your letter and Draft to Mr. Baxter, soon.

Your very truly,

P.S. The other man that has sent his deposit is Mr. C.F. Flaherty, of Mason City, Iowa.
