Mr. G.F. Flaherty,

Dear Sir:

Just recived a night telegram from Mr. Baxter,

" White Horse, Y.T. May 15th 20.

B.M. Caraway, Riverton, Wyo.

Wrote all about dogs. Hunting season opens August 1st.
Dont figure on way out by McCarthy. Writing you fully.

Signed Chas H. Baxter, "

I am telegraphing the Alaskan Steam Ship Co, this A.M.
for our reservations.

Mr. Graham and myself are going to take our better
halves along with us as far as Skagway, Alasaka.

Things are coming along nicely and think I will
soon have every-thing all ready for the trip as
far as I know of.

Sencc the season opens in the Yukon, on Aug 1st,
it will be nessery that we arrive in White Horse, about
the 20th of july. or a day or so before that date
and it takes five days from here to Seattle, 5 days
from Seattle, to Skagway, and from one to four days
to White Horse, from Skagway. Now if we are to have
one or two days in Seattle, we had better leave here
from Riverton, about the 2nd or 3rd of July. This
would put you boys here around the first or sooner if
you wish but be sure and come by the first of july.

By the season opening on Aug 1st, it is in our
favor for hunting the big bear over on the Kodiak.

I have been writing paxter, about some dogs to
take along on the trip, he says there is no dogs up
there good for the pourpes, we are now trying to
get some over in Mont. Want two good Airdales.

Belive/ this is all, with best wishes, I am,

Your truly,

Copy to Mr. Buman.
