Dear Sidonia:-

I promised I'd write you
a real long letter when we reached Seattle
so here goes. I have had one grand and
glorious time ever since I left home
I left Tennant on the morning train
on Tuesday June 29th I met Mr. Lahty
in Omaha. We left Omaha Tues.
afternoon and reached Riverton Wyo.
Wed. night about 10. Mr. Coraway and
Mr. Graham met us at the depot and
we proceeded to the home of B. M. Coraway
where we met Mrs. Coraway and 10 yr. old
daughter Drexel. Mrs. Coraway is a wonderful
little woman weight about 50 lbs.
They sure did entertain Pat and myself.

We were there from wed. night until
Mon. morning when we started for Seattle
The Coraways and the Grakams both
have wonderful homes. I would much
rather have either ~~one~~ one of them than
any home in Horlan Ia. What do you
think of that? We had 6 o'clock dinner
Sat. at the Grakam home also Sunday
noon lunch. we covered about 500 miles
by automobile while ^{we} were there in Wyo.
Grakam has a Cadillac victoria and
Coraway a Hudson speedster. The mts.
are a lot of them covered with snow and
sure are beautiful. we drove out to see the
sinks which are wonderful a large river
disappears in the side of a mountain

 drove the Graham Coddalor out to Fort
 Washaki ^{40 miles} where they were celebrating it is
 an indian reservation they played ball
 & ran races and they were a sight.
 We did not stay for the rough-riding of
 the indian dance as we were leaving the
 next morning. We left Riverton over
 the ~~Burlington~~ ^{N. Western} as far as Schomburg
 where we took the stage to Bonnerville
 where we took the Burlington to Billings

 Seattle
