Mr. G.F. Flaherty,

Mason City, Iowa.

Mr. W.A. Buman,

Harlan, Iowa.

Dear Sirs:

This will let you know I am still able to be on top of the old earth yet.

Also, to let you know to get here about the 1st or 2nd of July, better come on the Northwestern R.R. Let me know just the day you will arrive.

Belive I have about every thing ready for the trip and I am counting on the trip of our lives.

Nothing important to write. Had a line from Baxter, he is looking for us about the 14th of July into white Horse, but we will not get there till the 16th to the 20th, and he says that he will take us out to his camp on Bear creek, 116 miles and we can have a good time fishing Eot for a few days, as he says we will not start till about the 25th, well it will not be only a few days and guess it will be good for us to get tough for the trip on. wan't be any expense as I understand it till we start on the hunting trip.

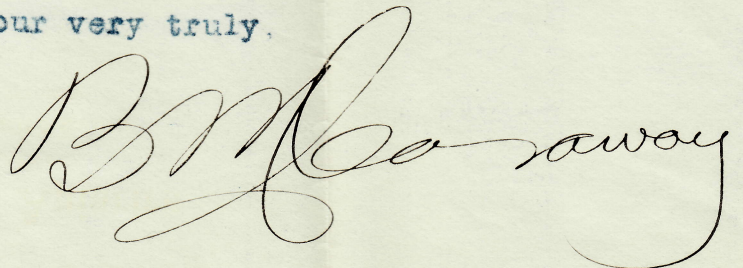

Now either write or telegraph me the days you will arrive here, I presume Mr. Buman, will meet you in Mason City, or some given point on the way out here.

Well good luck and will look for you sure by the 2nd. we will leave here on the day of the 5th and I want to drive you boys up to Dubois, or some place here.

Will listen for a line just when you will be here.

With best wishes to you and All, I am,

Your very truly,
